PRESIDENT’S MESSAGE

Marge Ostrom

It was exciting to watch the donor board for our Venice AAUW Branch during the Giving Partner Challenge of the Community Foundation of Sarasota County on Sept 1 and 2. At the end of 24 hours donations totaled $3510 for re-entry scholarships to be matched by the Patterson Foundation. Thank you to all members who contributed and to Bea Holt, Kathy Black, Mary Emerson, Anne Finger, and Donna McQuain for getting the message out to the membership. We thank Bea especially for all of her work posting and updating our Giving Partner Profile.

Our season is underway and members were happy to be together at our first meeting in September. The potluck lunch was delicious and the speakers were interesting. Please join us in October to hear about Tech Trek 2015 first hand from some of the eight local campers who attended the math and science camp at the end of June. They will share their experiences and enthusiasm. In October we will begin selling tickets to the Holiday Luncheon on December 10 and to the LAF/American Fellowship events, Come to the Cabaret to be held February 25 and the Tailgate Party to be held March 31.

Please be sure to pick up your 2015-16 Yearbook at the next meeting.

See you on October 8!

A NEW SIG BEGINS IN OCTOBER

KALEIDOSCOPE — a discussion group coordinated by Susan Farstrup and Shirley Reid.

This SIG will explore a wide variety of topics. At each meeting, one participant will make a 15-20 minute presentation on a topic of her choice followed by an informal discussion. Topics can be in the sciences, arts, current issues, culture, a personal experience or anything that she finds interesting.

The first meeting will be at the home of Susan Farstrup on Thursday, October 22 at 1:30. Her topic is DREAMS. She will present an overview of dream research and theories about the meanings of dreams. The group will be invited to react to the presentation and share their views on the significance of dreams.

In November, Shirley Reid will present the topic “What We Look Like.” Interested? Consider a topic you might present for discussions in 2016!

AAUW Explore the Arts
Study Interest Group
Pam Clifford

So many arts to explore and so little time! I am relatively new to AAUW and Florida so would welcome ideas from all of you. To start us off, I have listed some possibilities and would appreciate your feedback and other suggestions.

1. Clyde Butcher Gallery, Venice (clydebutcher.com) – fabulous pictures of the Everglades and other Florida sites at the artist’s own studio/darkroom.

2. Sarasota Institute of Lifetime Learning Music Series (sillsarasota.org) – in Venice, at the Venice Presbyterian Church every Monday at 3 pm January through March. Locally and internationally-renowned classical music artists and experts provide insights into their musical lives as well perform or provide video of performances. Individual tickets are available at the door. I can attest to the high level of these! Their website does not list the performers/experts for 2016 yet, but I understand opera singer Sherrill Milnes will be one!

3. Tour of art galleries on Palm Avenue in Sarasota (e.g. Dabbert, State of the Arts etc)

4. A performance at the Pinkerton Stage at Venice Community Theater (venicestage.com). These dramas are not the usual Broadway fare of the main stage. 2016 offerings include "The Beauty Queen of Lounane", “Sweeney Todd,” etc.

5. Meet with one of the artists who teach at the Venice Art Center to learn how/why they became an artist and information about their work.

6. We could think BIG and go on an overnight adventure, possibly to Naples Museum of Art (combine with a tour of the botanical gardens?) or the Morse Museum of American Art in Winter Park which has a collection of Tiffany works.

7. Or???

Please send your comments and ideas to me at pamelaclifford@hotmail.com. I look forward to exploring with you!
MEMBER SPOTLIGHT
Anne Russell

By Pam Clifford

Anne has been a Venice AAUW member for 12 years but her “AAUW roots” go way back. Both her mother and sister-in-law were AAUW members, and she was a member in Wisconsin, active at the state board level as well as locally. Anne was born and raised in Chicago, Illinois, and went on to graduate from Dennison University in Ohio, majoring in French and business. She has worked in both banking and insurance. She is married and has three children with three grandchildren in Cleveland and Austin, Texas. She and her husband moved frequently and then retired “full time” to Florida twelve years ago, following in the footsteps of her parents and in-laws. She now lives in the Sawgrass development in Venice, where she plays golf and volunteers.

Anne has continued her active AAUW engagement in the Venice chapter. She has led the SIG groups, membership committee and has been president. She is currently in charge of this year’s Holiday Luncheon and is managing the “Bridge for Fun” SIG.

Anne’s strong leadership skills and commitments to AAUW have helped the Venice AAUW become one of the largest and most effective chapters in Florida and the U.S. Thank you, Anne!

After a pot-luck lunch and social hour, President Marge Ostrom called the meeting to order at 12:30pm.

The speakers were introduced by Marcia Seman, both speaking on the topic of Genealogy Research. Nancy Johnson is President of the Genealogy Society of Sarasota County. She spoke on the subject of why you would do this research, such as medical history, finding out about your family history etc., and suggested you start with your family and work backwards.
