# MESSAGE FROM SPECIAL INTEREST GROUPS CHAIR PAT COMEAU

Special Interest Groups (SIGs) play an important role in the enrollment and retention of members in the branches of AAUW. The groups allow our members to connect with other AAUW members in a comfortable social setting. Through these groups, members are educated about the mission of AAUW and opportunities available for support roles as well as leadership roles in our branch. The talents of the educated women in our organization need to be identified and cultured to help other women in our branch who may feel isolated and are looking for the support of other women.

I would like to recognize the leadership of the Venice Branch special interest groups for their organization skills, self motivation, and dedication to making their groups fun and well attended. There is a need for a continuation of groups such as the travel group and outdoor adventures. We are still looking for facilitators for each of these activities. Suggestions for new groups would be a scrabble group, movie group, or attending cultural events. If one or two members would like to lead a group, please contact me.

As we approach Veterans Day, it is important to remember that approximately 15% of the United States Armed Forces are women. Throughout the branches of AAUW, there are retired military women who should be thanked for their service on this day.

### ~ ~ A SALUTE TO AAUW VETERANS ~ ~

This Veterans Day, let's give a shout out to two branch members who are also U.S. military veterans!

If you are/were a member of our Armed Services, please let AAUW know by contacting Patti Warner, Membership Chair.

Pat Comeau, who heads up our Special Interest Groups (SIGs), is a retired Lieutenant Colonel from the U.S. Army. For more than 23 years, she served, both on active duty and in reserves, as an army nurse in Canada, Honduras and Germany.

Susan Champion, a recent new AAUW member and a retired Lieutenant Colonel, spent what she calls "my 22-year adventure" in the Air Force acting as a flight nurse in Germany, Turkey, Australia, the Philippines and destinations in the Far East.

Thank You for your Service!

# MEMBERSHIP CHAIR'S MESSAGE PATTI WARNER

Our membership totals 237 with six more new members being introduced at the October meeting. That's thirteen new members since last May! New members, don't forget to RSVP (**veniceaauw@gmail.com**) to the Breakfast in your honor, November 1, 9:30-11:30 at the home of Paula Dulski.

As we move into the month of November, we are reminded of a long list of things we are thankful for. That list includes this organization and its mission and all the friends we have met along the way through our membership.

# COUNT YOUR BLESSINGS, NOT THE CALORIES! WISHING YOU A VERY HAPPY THANKSGIVING!

# WELCOME TO NEW MEMBER JOAN CASH

\*\*\*\*\*\*\*\*\*\*

Joan Cash hails from Lancaster, PA, where she resided until 1996. After a brief sojourn at Wilson College in Chambersburg, PA, she obtained her degrees in Special Education and Elementary Education from Millersville University, Millersville, PA. She taught in an elementary Special Education resource room in the School District of Lancaster, PA, for 22-1/2 years.

In 1996, she moved to Louisville KY where she enjoyed working in the retail and tourism industries.

\*\*\*\*\*\*\*\*\*\*\*\*

Seeking a warmer climate, she and her husband, Marchal, moved to the Ocala area in central FL where they resided for 11 years .

Upon selling their home in May of this year, they moved to Venice where they reside at The Floridian of Sarasota.

Joan enjoys reading, movies, theater, music, travel and fitness activities and looks forward to new experiences and friendships in AAUW.

# SHARING AND CARING - ONE BIG FAMILY!!

**Please notify** Sunshine Chair Marge Collin if you are aware of someone who needs get-well wishes or if there is a serious illness or passing of an AAUW member or family member so that we can acknowledge this on behalf of the Branch.

We are a large AAUW Family and we'd like to let everyone know of our support to our members! We need EVERYONE'S input!

# MEMBER PROFILE SPOTLIGHT MEET MAGGIE SURWILO

Whether you participate in branch meetings, one of our special interest groups (SIGs) or any of our fundraising projects, you'll come across Maggie. She's one of our most active members but also one of the most reliable when you need a volunteer.

Currently, she is a liaison with our "Tea with Vee" being held this month. She's been a co-chairman of the Scholarship Luncheon (twice), spent a year-long stint as a ticket seller for our monthly 50-50 raffle, and been at the welcome table for activities too numerous to mention. For the eleven years she's been a member, she's also helped staff a residence on our Home Tour.

Her interests are wide-ranging. She's a regular with the euchre players, Lunch

Bunch and Cook's Corner. In her spare time, she's an avid reader. As one of the Play Readers, she'll be re-enacting early suffragette, Lucretia Mott, at our February general meeting. Get ready to enjoy learning about this women's rights pioneer. She says she already has most of her costume ready.

She encourages new members to follow her example and explore the SIG groups. "If you only come to the monthly meetings, you won't really get to know people."

Before retiring and moving to Venice with her husband of 54 years, she was a guidance counselor for 18 years at an elementary school in Harvard, Mass. In addition to her bachelor's degree in English and history, she has two masters, one in guidance and counseling, and another in administration.

While her husband was serving in the Air Force, they lived in the Azores (Portugal) and Germany. While abroad, she taught in schools administered by our Department of Defense. Two of her three children attended German schools while they lived there. "I encourage them to keep up their German speaking skills," she says.

Living overseas, she was also able to indulge her own travel bug. "I loved living in Europe and teaching history. I was able to take my students on many field trips." On a personal level, she was also able to travel extensively, including journeys to Egypt, Lebanon, Greece, and Russia.

She and her husband are still traveling because their children are scattered in California, New Jersey, and Massachusetts. Or they have a full house because "they are coming here to visit."

While she's not on the move, she says "I love all the things I do with AAUW. My truly favorite thing is the Scholarship Luncheon. I believe in giving these scholarships to women who haven't had the opportunities that many of us have had. It's wonderful to help these women who want to get a leg up."

Amen to that and thanks to members like her, we'll have the support to keep at it.
